Licensee shall allow representatives of the Board and other parties, as may be authorized from time to time by the Board, reasonable access to project works to determine compliance with the terms of this license.

All rights and privileges under this license, including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, purchases the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license, the State, or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, shall have the right to use the works and property for the same purposes as the licensee or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

ORDER

APPLICATION 23449 PERMIT 16120 LICENSE 10599

ORDER ALLOWING CHANGE IN POINT OF DIVERSION

WHEREAS:

1. License 10599 was issued to Hornbrook Water Company and was recorded with the County Recorder of Siskiyou County on March 16, 1976 in Volume 752, Page 11.
2. License 10599 was subsequently assigned to Hornbrook Community Services District.
3. A petition for change in point of diversion has been filed with the State Water Resources Control Board and said Board has determined that good cause for such change has been shown.
4. The Board has determined that the petitioned change does not constitute the initiation of a new right nor operate to the injury of any other lawful user of water.

NOW, THEREFORE, IT IS ORDERED THAT:

- 1 The points of diversion under this license shall be as follows:
 1. South 84°34' West 1,660.30 feet from center of Section 20, T47N, R6W, MDB&M, being within NW¼ of SW¼ of said Section 20,
 2. North 13° East 1,470 feet from SW corner of Section 20, T47N, R6W, MDB&M, being within NW¼ of SW¼ of said Section 20,

Dated: SEPTEMBER 7 1983
